The Court grants preliminary approval of the proposed classwide settlement with defendant ZOA Energy, LLC (“ZOA”). This order is based on a proposed order lodged by the parties and has been modified by the Court according to its practices and conclusions.

1. Settlement Terms: For purposes of this Order, the definitions in the Settlement Agreement are incorporated.

2. Jurisdiction: The Court has jurisdiction over the subject matter of the action and over all parties to the action, including all members of the Settlement Class.

3. Preliminary Approval of Proposed Settlement Agreement: Subject to further consideration by the Court at the time of the Final Approval Hearing, the Court preliminarily approves the Settlement as fair, reasonable, and adequate to the Settlement Class, as falling within the range of possible final approval, and as meriting submission to the Settlement Class for its consideration. The Court also finds that the Settlement Agreement: (a) is the result of serious, informed, non-collusive, arms-length negotiations, and (b) preliminarily meets all applicable requirements of law, including Federal Rule of Civil Procedure 23.

4. Class Certification for Settlement Purposes Only:

a. For purposes of the Settlement only, the Court conditionally certifies this Settlement Class:

All persons in the United States who, from March 1, 2021, to the present, purchased in the United States, for personal or household consumption and not for resale or distribution, one or more Products bearing the statement “0 Preservatives” on the label. Excluded from the Settlement Class are: (1) the presiding Judge(s) in the Action; (2) any member of those Judge(s)’ immediate families; (3) Defendant; (4) any of Defendant’s subsidiaries, parents, affiliates, officers, directors, employees, legal representatives, heirs, successors, or assigns; (5) counsel for the Parties; and (6) any persons who timely opt-out of the Settlement Class.

b. The Court preliminarily finds for purposes of considering this Settlement that: (a) the number of Settlement Class Members is so numerous that joinder of all members thereof is impracticable; (b) there are questions of law and fact common to the Settlement Class; (c) the claims of the named representatives are typical of the claims of the Settlement Class they seek to represent;

(d) the Plaintiff will fairly and adequately represent the interests of the Settlement Class; (e) the questions of law and fact common to the Settlement Class predominate over any questions affecting only individual members of the Settlement Class; and (f) a class action is superior to other available methods for the fair and efficient adjudication of the controversy.

5. Class Representative: Mikhail Gershzon is appointed as the Representative Plaintiff.

6. Class Counsel: Michael D. Braun of Kuzyk Law, LLP and Peter N. Wasylyk of Law Offices of Peter N. Wasylyk are appointed Class Counsel. The Court preliminarily finds that the Representative Plaintiff and Class Counsel fairly and adequately represent and protect the interests of the absent Settlement Class Members in accordance with Federal Rule of Civil Procedure 23.

7. Class Notice: The Court approves, as to form and content, the notices and claim form substantially in the form attached to the Settlement Agreement, as corrected following the preliminary approval hearing. *See* Dkt. No. 42.

a. Notice Plan: The Court finds that the Parties' plan for providing notice to the Settlement Class (the "Notice Plan") described in the Settlement Agreement constitutes the best notice practicable under the circumstances; constitutes due and sufficient notice to the Settlement Class of the terms of the Settlement Agreement and the Final Approval Hearing; and complies fully with the requirements of the Federal Rules of Civil Procedure, the United States Constitution, and any other applicable law.

b. Settlement Claims Administrator: Kroll, LLC is appointed as the Claims Administrator. Kroll, LLC shall be required to perform all duties of the Claims Administrator as set forth in the Settlement Agreement and this Order.

c. The Parties' proposed Notice Plan consists of direct notice in the form of Email Notice, Internet Notice (including online display ads, Google search ads, social media ads, and website), and Publication Notice, as well as a Settlement Website where Settlement Class Members may view and download a Full Notice. Settlement Class Members may also request that the Settlement Administrator mail or email them a copy of the Full Notice.

d. On or before December 8, 2025, the Settlement Administrator shall establish the Settlement Website.

e. Starting no later than December 15, 2025, the Settlement Administrator shall cause the Email Notice to be sent to Settlement Class Members for whom ZOA maintains an email address.

f. Starting no later than December 15, 2025, the Settlement Administrator shall provide Internet Notice in the form of a social media campaign and/or Banner Advertisements with at least an estimated 85% reach.

g. Starting no later than December 15, 2025, the Settlement Administrator shall provide Publication Notice to Settlement Class Members through a Banner Advertisement placed in a newspaper that is circulated nationwide, which shall be selected by the Parties. At least fourteen (14) days prior to the Claim Filing Deadline, the Settlement Administrator will provide two (2) reminder notices to the Settlement Class Members for whom they have sent Email Notice.

8. The Court further finds that the Notice Plan adequately informs members of the Settlement Class of their right to exclude themselves from the Settlement Class so as not to be bound by the terms of the Settlement Agreement. Any member of the Class who desires to be excluded from the Settlement Class, and therefore not bound by the terms of the Settlement Agreement, must submit a timely and valid written Request for Exclusion pursuant to the instructions set forth in the Notice.

9. Objection and “Opt-Out” Deadlines: Settlement Class Members who wish to object to the Settlement or to exclude themselves from the Settlement must do so by the Objection Deadline and Opt-Out Deadline, which is February 13, 2026. If a Class Member submits both an Opt-Out Form and Objection, the Class Member will be deemed to have opted out of the Settlement, and thus to be ineligible to object. Any objecting Class Member who has not timely submitted a completed Opt-Out Form will be bound by the terms of the Agreement upon the Court’s final approval of the Settlement.

10. Exclusion from the Settlement Class: Class Members who wish to opt out of and be excluded from the Settlement must follow the directions in the Class Notice and submit a Request for Exclusion to the Claims Administrator, postmarked no later than the Opt-Out Deadline,

1 which is February 13, 2026. The Request for Exclusion must be personally completed and submitted  
2 by the Class Member or his or her attorney. One person may not opt someone else out and so-called  
3 “class” opt-outs shall not be permitted or recognized. The Claims Administrator shall periodically  
4 notify Class Counsel and ZOA’s counsel of any Requests for Exclusion.

5 11. All Class Members who submit a timely, valid Request for Exclusion will be  
6 excluded from the Class and will not be bound by the terms of the Settlement Agreement, shall not be  
7 bound by the release of any claims pursuant to the Settlement Agreement or any judgment, and shall  
8 not be entitled to object to the Settlement Agreement or appear at the Final Approval Hearing. All  
9 Class Members who do not submit a timely, valid Request for Exclusion will be bound by the  
10 Settlement Agreement and the Judgment, including the release of any claims pursuant to the  
11 Settlement Agreement.

12 12. Objections to the Settlement: Any objection to the Settlement must be in  
13 writing, postmarked on or before February 13, 2026, and sent to the Claims Administrator at the  
14 addresses set forth in the Class Notice. Any objection regarding or related to the Settlement must  
15 contain (i) a caption or title that clearly identifies the Action and that the document is an objection,  
16 (ii) information sufficient to identify and contact the objecting Class Member or his or her attorney, if  
17 represented, (iii) information sufficient to establish the person’s standing as a Settlement Class  
18 Member, (iv) a clear and concise statement of the Class Member’s objection, (v) identification of the  
19 case name and case number, (vi) the objector’s signature, and (vii) the signature of the objector’s  
20 counsel, if any (the “Objection”).

21 13. Objecting Class Members may request to appear at the Final Approval Hearing  
22 and be heard.

23 14. Any Settlement Class Member who does not make a valid written objection as  
24 set forth in the Settlement shall be deemed to have waived such objection and will be foreclosed from  
25 making any objection to the fairness or adequacy of or from seeking review, including through an  
26 appeal, of the Settlement, the Settlement Agreement, the payment of attorneys’ fees and costs, service  
27 award, or the Final Approval Order and Judgment.

1           15.    Submission of Claims: To receive a Cash Award, the Settlement Class  
 2 Members must follow the directions in the Notice and file a claim with the Claims Administrator by  
 3 the Claims Deadline, which is February 20, 2026. Settlement Class Members who do not submit a  
 4 valid claim will not receive a Cash Award and will be bound by the Settlement.

14 lawsuit, or other proceeding arising out of the Released Claims against any of the Released Parties.

16 Court's jurisdiction over the action and to protect and effectuate the Court's review of the Settlement.

17           21.     Final Approval Hearing: The Court shall conduct a Final Approval Hearing to  
18 determine final approval of the Agreement on March 26, 2026, at 10:00 a.m. in Courtroom 11 at the  
19 San Francisco Courthouse, located at 450 Golden Gate Avenue, San Francisco, CA 94102. At the  
20 Final Approval Hearing, the Court will address whether the proposed Settlement should be finally  
21 approved as fair, reasonable, and adequate, and whether the Final Approval Order and Judgment  
22 should be entered; and whether Class Counsel's application for attorneys' fees, costs, expenses and  
23 service award should be approved. Consideration of any application for an award of attorneys' fees,  
24 costs, expenses and service award will be separate from consideration of whether or not the proposed  
25 Settlement should be approved. The Court will not decide the amount of any service award or Class  
26 Counsel's attorneys' fees until the Final Approval Hearing. The Final Approval Hearing may be  
27 adjourned or continued without further notice to the Class.

4 and void, will be of no further force and effect, and will not be used or referred to for any purpose in  
5 this civil action or in any other case or controversy. In such an event, the Settlement and all related  
6 negotiations and proceedings will be deemed to be without prejudice to the rights of any and all of the  
7 Parties, who will be restored to their respective positions as of the date and time immediately preceding  
8 the execution of the Settlement.

10 to implement, effectuate, and grant final approval to the terms of the Settlement Agreement, all  
11 proceedings are stayed in this Action and all Settlement Class Members are enjoined from  
12 commencing or continuing any action or proceeding in any court or tribunal asserting any claims  
13 encompassed by the Settlement Agreement, unless the Settlement Class Member timely files a valid  
14 Request for Exclusion as defined in the Settlement Agreement.
